Welcome to Chets!

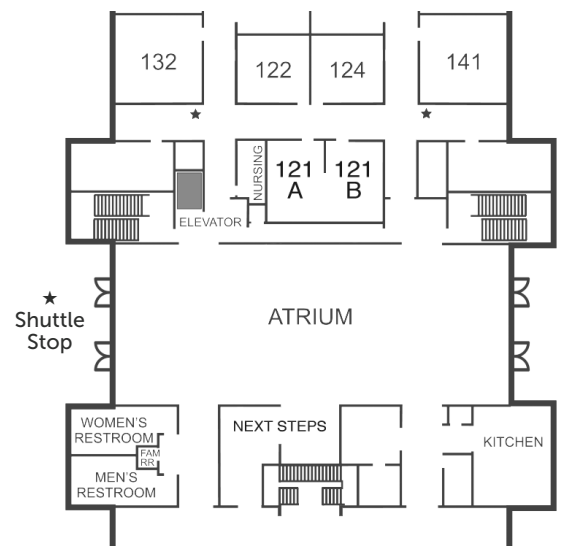

We're so glad that you're here today! Use this guide to help you find worship services and LifeGroups for your whole family.

Are you in a LifeGroup?

A LifeGroup is a small group of people that gathers together each week for community, prayer, and Bible study. We provide age-appropriate groups for kids, students, and adults. You can get more information and talk with someone about being part of a LifeGroup at the information desk in the Atrium.

Ride the Shuttle.

You can ride our shuttle back and forth from the church building to adult LifeGroups and parking at Chets Creek Elementary School. The shuttle picks-up and drops-off passengers outside the main Atrium doors.
